"This house was built in 1857 by Mr. George Hansen, the promoter of that little colony of Germans who founded what is now the City of Anaheim, and it once stood on North Los Angeles Street between Chartres and Cypress Streets.

This building was a gift from Mr. E. E. Beazley and the lot on which it stands was donated by Marie Horstmann Dwyer in memory of her parents who were pioneers and purchased the land October 1st, 1860." *

The Pioneer House is now owned and cared for by the Mother Colony Chapter of the Daughters of the American Revolution.

* From a bronze tablet on the building.
